For this purpose of this statement, a mere common directorship is not a material financial interest. This statement may be sent by electronic transmission, if approved by the Board.

ARTICLE XII INDEMNIFICATION

Section 1. Interpretation.

This Article XII shall be interpreted to grant this Corporation the power to indemnify its agents as defined herein to the maximum extent permitted under the California Corporations Code, as

amended from time to time. The following sections of this Article XII reflect the law as currently enacted and are included herein for reference and not by limitation.

Section 2. Definitions.

For the purpose of this Article XII:

(a) "agent"

means any person who is or was a Trustee, officer, employee, or other agent of this Corporation, or is or was serving at the request of this Corporation as a Trustee, director, officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise;

(b) "proceeding"

means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and

(c) "expenses"

includes without limitation all attorneys' fees, costs, and other expenses incurred in the defense of any claims or proceedings against an agent by reason of the agent's position or relationship as agent, and all attorneys' fees, costs, and other expenses incurred in establishing a right to indemnification under this Article XII.

Section 3. Indemnification in Actions Brought by Third Parties.

This Corporation shall have power to indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding (other than an action described in Section 4 below) by reason of the fact that such person is or was an agent of this Corporation, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding if such person acted in good faith and in a manner such person reasonable believed to be in the best interests of this Corporation. In the case of a criminal proceeding, such person must also have had no reasonable cause to believe that the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of this Corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

Section 4. Indemnification in Actions by or in the Right of This Corporation.

This Corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of this Corporation, or brought under Section 5233 of the California Nonprofit Public Benefit Corporation Law (self-dealing), or brought by the Attorney General or a person granted relator status by the Attorney General for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that such person is or was an agent of this Corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of this Corporation,

and with such care, including reasonable inquiry, as an ordinarily indemnification shall be made under this Section 4:

- (a) In respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to this Corporation in the performance of such person's duty to this Corporation, unless and only to the extent that the court in which such proceeding is or was pending shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;
- (b) Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or
- (c) Of expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval unless it is settled with the approval of the Attorney General.

Section 5. Indemnification Against Expenses.

To the extent that an agent of this Corporation has been successful on the merits in the defense of any proceeding referred to in Section 3 or Section 4 of this Article XII, or in the defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in the connection with such defense.

Section 6. Required Determinations.

Except as provided in Section 5 of this Article XII, any indemnification under this Article XII shall be made by this Corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 3 or Section 4 of this Article XII, by:

- (a) A majority vote of a quorum of the Board consisting of Trustees who are not parties to such proceeding; or
- (b) The court in which such proceeding is or was pending. The court's determination may be made on application brought by this Corporation, the agent, the attorney, or other person rendering services in connection with the defense, where or not the application by the agent, attorney, or other person is opposed by this Corporation.

Section 7. Advance of Expenses.

Expenses incurred in defending any proceeding may be advanced by this Corporation before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance unless it is determined ultimately that the agent is entitled to be indemnified as authorized in this Article XII.

Section 8. Limitations.

No provision made by this Corporation to indemnify its Trustees or officers for the defense of any proceeding, whether contained in the Articles of Incorporation, these Bylaws, a resolution

of the Board, an agreement, or otherwise shall be valid unless consistent with this Article XII and the California Nonprofit Public Benefit Corporation Law, and the Internal Revenue Code.

Section 9. Contractual Rights of Nontrustees and Nonofficers.

Nothing contained in this Article XII shall affect any right to indemnification to which persons other than Trustees and officers of this Corporation, or any subsidiary thereof, may be entitled by contract or otherwise.

Section 10. Forms of Indemnification Not Permitted.

No advance or indemnification shall be made under this Article XII, except as provided in Section 5 or Section 6(b), in any circumstance in which it appears:

- (a) That the indemnification or advance would be inconsistent with the provision of the Articles of Incorporation, these Bylaws, a resolution of the Board, or an agreement in effect that the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred, or other amounts were paid, which prohibits or otherwise limits indemnification; or
- (b) That the indemnification or advance would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 11. Insurance.

This Corporation shall have power to purchase and maintain insurance on behalf of any agent of this Corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not this Corporation would have the power to indemnify the agent against such liability under the provision of this Article XII. However, this Corporation shall have no power to purchase and maintain such insurance to indemnify any agent of this Corporation for a violation of Section 5233 of the California Nonprofit Public Benefit Corporation Law (self-dealing), as amended from time to time. Subject to applicable law (including but not limited to legal restrictions on use of this Corporation's assets, required findings by or on behalf of this Corporation, any applicable federal or state tax laws (including, if this Corporation holds assets upon charitable trusts, its status with respect to such assets) and to the laws referred to in Section 13 of this Article XII, this Corporation shall use reasonable efforts in good faith to obtain and maintain general liability insurance (to the extent generally available on commercially reasonable terms) on behalf of the Trustees and officers, including but not limited to insurance as contemplated by Section 5047.5 of the California Nonprofit Public Benefit Corporation Law (general liability policy covering volunteer officers and directors).

Section 12. Nonapplicability to Fiduciaries of Employee Benefit Plans.

This Article XII does not apply to any proceeding against any Trustee, investment manager, or other fiduciary of an employee benefit plan in such person's fiduciary capacity, even though such person may also be an agent of this Corporation as defined in Section 2 of this Article XII. This Corporation shall have the power to indemnify such Trustee, investment manager, or other fiduciary, including the power to purchase and maintain insurance on behalf of any fiduciary of such plans, to the extent permitted by Section 207(f) of the California General

Corporation Law, as amended from time to time.

Section 13. Federal and State Exculpatory Provisions.

Nothing in this Article XII shall limit or otherwise adversely affect the rights of qualifying agents of this Corporation under the Federal Volunteer Protection Act of 1997, Section 5047.5 of the California Nonprofit Public Benefit Corporation Law, or similar provisions of other laws or public policies limiting such liability, as now in effect or as any thereof may be amended.

Section 14. Separability.

Each and every paragraph, sentence, term, and provision of this Article XII is separate and distinct so that if any paragraph, sentence, term, or provision shall be held to be invalid or unenforceable for any reason, its invalidity or unenforceability shall not affect the validity or enforceability of any other paragraph, sentence, term, or provision of this Article. To the extent required, any paragraph, sentence, term, or provision of this Article XII may be modified by a court of competent jurisdiction to preserve its validity and to provide the claimant with, subject to the limitations set forth in this Article XII and any agreement between this Corporation and the claimant, the broadest possible indemnification permitted under applicable law.

**ARTICLE XIII
EMERGENCY PROVISIONS**

Section 1. General.

The provisions of this Article XIII shall be operative only during a national emergency declared by the President of the United States or the person performing the President's functions, or during a state of emergency declared by the Governor of the State of California or the person performing the Governor's functions or in the event of an attack on the United States or the State of California or during a catastrophe, disaster, or emergency condition making it impossible or impracticable for this Corporation to conduct its business without recourse to the provisions of this Article XIII. The provisions of this Article XIII in that event shall override all other provisions in these Bylaws in conflict with any provisions of this Article XIII and shall remain operative as long as it remains impossible or impracticable to continue the business of this Corporation otherwise, but thereafter shall be inoperative. All actions taken in good faith pursuant to these provisions, however, shall thereafter remain in full force and effect unless and until revoke by action taken pursuant to the provisions of the Bylaws other than those contained in this Article XIII.

Section 2. Unavailable Trustees.

All Trustees of this Corporation who are not available to perform their duties as Trustees by reason of physical or mental incapacity or for any other reason, or whose whereabouts are unknown, shall automatically cease to be Trustees, with the same effect as if they had resigned as Trustees, for as long as their unavailability continues.

Section 4. Quorum.

The number of Trustees necessary to constitute a quorum shall be the number bearing the same proportional relationship to the number of Trustees remaining pursuant to Section 2 of this Article XIII as the quorum established in Section 15 of Article VII bears to the authorized number of Trustees set forth in Section 5 of Article VII.

Section 5. Trustees Becoming Available.

Any person who has ceased to be a Trustee pursuant to the provisions of Section 2 of this Article XIII and who thereafter becomes available to serve as a Trustee shall automatically resume performing the duties and exercising the powers of a Trustee, unless the term of office of that person has expired in accordance with its original terms and a successor has been selected and qualified, or the Board has declared the position vacant.

Section 6. Alternate Officers or Agents.

The Board, either before or during any such emergency, may provide, and from time to time modify, lines of succession in the event that during the emergency any or all officers or agents of this Corporation shall for any reason be unavailable or rendered incapable of discharging their duties. The Board, either before or during any such emergency, may, effecting in the emergency, change the principal office of this Corporation, or designate several alternative offices, or authorize the officers so to do.
